**Re: No Changes to the Export List**

California Insurance Commissioner Ricardo Lara has issued [Bulletin 2024-10](#), announcing that he has decided to make no changes to the Export List after considering testimony and public comment from the Export List hearing held by the California Department of Insurance (CDI) on July 16, 2024.

An Export List hearing is held at least once annually, and can be held more often at the commissioner's discretion. The CDI reminds brokers that risks and coverages not appearing on this list may still be exportable but subject to the full documentation of the diligent search performed with respect to insurance issued to a home state insured, as required by California Insurance Code §1763.

The commissioner's bulletin directs any questions to Libio Latimer, CDI deputy general counsel, at [libio.latimer@insurance.ca.gov](mailto:libio.latimer@insurance.ca.gov) or (415) 538-4420.
